

About us

INNOMedX™, your **dedicated Business HUB** supports you in planning the **Market Access** journey of your Medical Device from the design phase to **Commercialisation**.

Our **subscription plans**, alongside Market Access **missions**, cut costs and **manage budgets**. Our subscribed **Partners** get access to a comprehensive solution: personalized services, **unlimited advice**, help for their sales' needs and a specific **watch** tailored to their specialty.

Our aim is to enable as many **Innovative Technologies** as possible to **reach patients**.
